

A time to SMILE

We are a team dedicated to providing quality and affordable private dental care to people who need to have a home dental service. Many of the treatments available in a dental surgery can be offered in the comfort of your own familiar surroundings.

We offer all types of individualised treatments to the needy in Panjim, and surrounding areas within a radius of 10 kms. We can treat patients in their homes on a couch or even when in bed or on the wheel chair.

AFFILIATED TO

DR. FERNANDO NORONHA'S MULTISPECIALITY DENTAL CLINIC

The timings for the service will have to be arranged as per the convenience of the attending dentist as well as the patient.

To contact us for an appointment please call on **0832 2220039**
